The applicant acknowledges and agrees that subscription monies received in respect of a Fund in advance of the issue of Shares will be held either in an Umbrella Cash Account in the name of the Company or, in an individual cash account in the name of a Fund. The applicant further acknowledges and agrees that in each scenario, subscription monies will be treated as a general asset of the relevant Fund. The applicant further acknowledges and agrees that investors will be unsecured creditors of the relevant Fund with respect to the amount subscribed and held by the Company until Shares are issued on the relevant Dealing Day and as such, investors will not benefit from any appreciation in the NAV of the relevant Fund or any other Shareholder rights (including dividend entitlement) until such time as Shares are issued on the relevant Dealing Day. The applicant further acknowledges and agrees that in the event of an insolvency of the Fund or the Company, there is no guarantee that the Fund or Company will have sufficient funds to pay unsecured creditors in full.

The applicant acknowledges and agree that payment of redemption proceeds and dividends in respect of a particular Fund is subject to receipt by the Administrator of original subscription documents and compliance with all anti-money laundering procedures and that notwithstanding this, redeeming Shareholders will cease to be Shareholders, with regard to the redeemed Shares, and will be unsecured creditors of the particular Fund, from the relevant Dealing Day. The applicant further acknowledges and agrees that pending redemptions and distributions, including blocked redemptions or distributions, will, pending payment to the relevant Shareholder, be held either in an Umbrella Cash Account in the name of the Company or, in an individual cash account in the name of a Fund. The applicant further acknowledges and agrees that in each scenario, redeeming Shareholders and Shareholders entitled to such distributions will be unsecured creditors of the relevant Fund, and will not benefit from any appreciation in the NAV of a Fund or any other Shareholder rights (including further dividend entitlement), with respect to the redemption or distribution amount held in the Umbrella Cash Account, or in an individual cash account. The applicant further acknowledges and agrees that in the event of an insolvency of the relevant Fund or the Company, there is no guarantee that the Fund or the Company will have sufficient funds to pay unsecured creditors in full. The applicant further acknowledges and agrees redeeming Shareholders and Shareholders entitled to distributions should ensure that any outstanding documentation and information is provided to the Administrator promptly and that failure to do so is at such Shareholder’s own risk.

The applicant acknowledges and agrees that Shares in the Company may not be issued until such time as the Administrator has received and is satisfied with all the information and documentation requested to verify the identity, permanent address and source of funds of the applicant and, where applicable, any beneficial owner. Where, at the sole discretion of the Administrator, Shares are issued prior to the Administrator having received all the information and documentation required to verify the identity, permanent address and source of funds of the applicant and, where applicable, any beneficial owner, the applicant will be prohibited from redeeming any Shares so issued, and the Company or the Administrator on its behalf reserves the right to refuse to make any redemption payment or distribution to the applicant, until such time as the Administrator has received and is satisfied with all the information and documentation requested to verify the identity, permanent address and source of funds of the applicant and, where applicable, any beneficial owner.

The applicant hereby acknowledges and agrees that the Company or the Administrator as its delegate may deliver and make reports, statements and other communications available in electronic form, such as e-mail or by posting on a web site.

The applicant acknowledges that due to money laundering requirements operating within the Republic of Ireland the Administrator may require further identification of the applicant(s) and any beneficial owner before the application can be processed and the Administrator shall be held harmless and indemnified against any loss arising as a result of a failure to process the application if such information has been requested by the Administrator and has not been provided by them.

The applicant acknowledges that they will provide any information and/or documentation as the Directors, the Investment Manager, the Distributor, the Administrator or their delegates or authorised agents deem necessary including in connection with the requirements of any authority whether regulatory or taxation or otherwise.

The applicant hereby agrees to be bound by the Prospectus. Words and expressions in this Subscription Form are as defined in the Prospectus unless the context otherwise requires.

In consideration of the Administrator processing this Subscription Form and making a provisional allotment of Shares, the applicant hereby agrees to indemnify and hold harmless the Company, the Administrator, the Directors and the Investment Manager against any loss, costs or expenses incurred by it or them as a result of their failure to pay the required subscription monies for the application of Shares within the time required by the Prime Broker.

The applicant confirms that they are 18 years of age or over (natural persons only).

The applicant confirms that they are not a restricted person (details of the entities to whom the transfer of Shares is restricted are set out in the Prospectus under the heading "Form of Shares and Transfer of Shares") and are not acquiring Shares on behalf of, nor for the benefit of, such a restricted person nor do they intend selling or transferring any Shares which they may purchase to any person who is such a restricted person.

The applicant confirms that they are aware of the minimum initial investment amount of the Fund, being £100,000 for all share classes.

The applicant warrants that: (a) they have the knowledge, expertise and experience in financial matters to evaluate the risks of investing in the Company; (b) they are aware of the risks inherent in investing in the Shares and the method by which the assets of the Company are held and/or traded; and (c) they can bear the risk of loss of their entire investment.

The applicant warrants that they are aware and accept that the Company has authority to redeem a portion of their investments in the Company and to pay the proceeds to the Investment Manager as part of any annual fee or performance fee (if any) payable in accordance with the provisions of this Prospectus.

The Company reserves the right to accept applications for Shares from certain qualified applicants in the United States or a limited number of U.S. persons (as defined under applicable laws) if the Company receives evidence satisfactory to it that the sale of Shares to such an applicant is exempt from registration under the securities laws of the United States, including, but not limited to, the 1933 Act, that such sale will not require the Company to register under the 1940 Act, and, in all events, that there will be no adverse tax or other regulatory consequences to the Company or its shareholders as a result of such sale. U.S. persons (as defined under applicable laws) should request a supplemental disclosure document and will be required to complete a set of subscription documents for U.S. persons appended thereto. Some subscribers may be taxable in the United

States but will not come within the definition of U.S. persons for the purposes of determining which subscription documents should be used. Such persons are not obliged to complete the special subscription documents for U.S. persons and will not automatically receive the supplemental disclosure document.

The applicant warrants that they are able to acquire and hold Shares without violating any applicable laws.

The applicant, where acquiring Shares on behalf of, or for the benefit of, one or more other person, warrants that such other person or persons may acquire and hold a beneficial interest in such Shares without violating any applicable laws.

The applicant hereby accepts such lesser number of Shares, if any, than may be specified above in respect of which this application may be accepted.

The applicant, having received and considered a copy of the Prospectus, hereby confirms that this application is based solely on the Prospectus for the Company, and any supplemental Prospectus current at the date of this Subscription Form and the material contracts therein referred together (where applicable) with the most recent annual report and accounts of the Company and (if issued after such report and accounts) its most recent unaudited semi-annual report. The applicant agrees that they have received in good time prior to the application for any proposed subscription of Shares any KIID(s) in issue for the relevant Share(s).

The applicant understands that the Prospectus and KIID(s) may be provided by way of Electronic Delivery and that a paper copy will be provided free of charge on request. The applicant understands that Electronic Delivery includes email delivery to the email address set out on page 7 of this Subscription Form or as otherwise agreed with the Administrator from time to time and/or electronically making available such documentation or information on www.majedie.com or such other web-site address as may be notified to the applicant from time to time. The applicant agrees that the Company has offered the choice of receipt of the Prospectus and relevant KIID(s) by way of Electronic Delivery or in paper format and unless the applicant has indicated herein that they wish to receive the Prospectus and relevant KIID(s) by way of paper copy, the applicant agrees that the Prospectus and relevant KIID(s) may be provided by way of Electronic Delivery and the applicant consents to receipt thereof by way of publication on www.majedie.com or such other web-site address as may be notified to the applicant from time to time. The applicant acknowledges that updated versions of the Prospectus and KIID(s) will be made available on the web-site www.majedie.com. The applicant acknowledges that the Company is required to provide the relevant KIID(s) prior to each subsequent subscription for or exchange of Shares in the relevant class and hereby agrees that for each subsequent application for subscriptions and/or exchange of Shares in any class, the KIID will be provided to them via Electronic Delivery unless a paper copy is requested herein/from the Administrator.

The applicant hereby undertakes to observe and be bound by the provisions of the Prospectus and Articles of Association of the Company.

The applicant acknowledges that the Directors have absolute discretion to accept or reject in whole or in part any application for Shares without assigning any reason therefor.

The applicant acknowledges that if an application is rejected, the Administrator at the cost and risk of the applicant will return application monies or the balance thereof, without interest, by telegraphic transfer to the account from which it was paid as soon as practicable.

The applicant requests that the Shares issued pursuant to this application be registered in the name(s) and address set out below.

The Administrator is hereby authorised and instructed to accept and execute any instructions in respect of the Shares to which this application relates given by the applicant in written form or by facsimile. If the instructions are given by them by facsimile, the applicant undertakes to confirm them in writing. The applicant hereby agrees to indemnify the Administrator and agree to keep it indemnified against any loss of any nature whatsoever arising to any of them as a result of it acting upon facsimile instructions. The Administrator may rely conclusively upon and shall incur no liability in respect of any action taken upon any notice, consent, request, instruction or other instrument believed in good faith to be genuine or to be signed by properly authorised persons.

The applicant warrants that it is fully empowered and has authority to make this investment whether the investment is on their own behalf or on the behalf of one or more other persons or institution.
